## Rules Governing the Submission of Plats, Plans and Specifications in the Matter of Leasing Harbor Areas

- 1. Accompanying each application and made a part thereof shall be: (a) A map marked "Exhibit A," showing the location of the portion of the harbor area desired to be leased; (b) a plat marked "Exhibit B," showing detail plans of improvements to be made or already existing on such area; (c) specifications marked "Exhibit C" to accompany the detail plans in "Exhibit B."
- 2. "Exhibit A" must be on good quality of mounted paper,  $17x22\frac{1}{2}$  inches, and must show the location of the area desired to be leased, with the frontage of the adjoining lots or blocks of the shore or tide lands; also the ground plan of docks or wharves to be constructed or existing; also showing buildings located on such wharves. All courses and distances must be clearly marked.
- 3. "Exhibit B" must be on a good quality of mounted paper,  $17x22\frac{1}{2}$  inches, and shall show a detail plan of the improvements to be made or already existing, showing distances from center to center of piles, depth of water, height above water, and details of superstructures; also showing methods of bracing, where any is used; also a plan of slips; but no buildings need be shown on the detail plans.
- 4. "Exhibit C" must give length and dimensions of piling and depth driven, dimensions of caps, dimensions and spacing of stringers, thickness of planking, length and dimensions of drift bolts, size and number of spikes, and details of construction.
- 5. "Exhibits B and C," here called for, are intended to cover all details of the construction of docks, wharves and other structures, and such plans and specifications must be such as would be used in actual construction, and no detail, whether here called for or not, must be omitted that would be necessary to such construction.
- 6. Exhibits must be prepared, signed and sealed by a registered professional engineer or land surveyor.

BERT L. COLE, Commissioner of Public Lands.
